

## ***Costa Rica is one of the top sport fishing destinations in the world.***

Costa Rica fishing attracts thousands of anglers every year. The fertile waters of Costa Rica's North Pacific Coast has always been an excellent place to fish. Giant Marlin, Big Sailfish, and abundant Dorado (mahi-mahi) are caught commonly in these waters. While other species like Wahoo and Big Yellow Fin Tunas are seasonal.

Costa Rica is famous worldwide for its quality fishing and great variety of fish species for inshore and offshore fishing 12 months a year. We also offer bottom fishing tours as well!

We have a large variety of fishing boats available for every budget. Contact us for a full day or half day fishing trip!
